Sai!
Wait a
minute!

Untie me!
What do
you think
you're
doing?!

There's
something
I want
to try.

This is why
you can't
give virgins
porn!!

Since I
want to
make friends
with Sakura
and all.

At the library,
I found a
book with
rules for
getting along
with women.

Hey!

Knock
it off!

Right, right.
The book said
what those
words meant,
too.

huh
!?

Stop?
I...
don't
think so.

Moron!

It said,
"no, stop!"
actually
means
"keep going!"

That's
totally
the wrong
thing to
do!

to get along with your other teammates, right?

But you do this sort of thing

Stop it!
No means no!

I just want you to treat me the same as you do everyone else!

Hey, wait a minute!
This is clearly all a misunderstanding! That sort of talk isn't right at all!

eh?!
What
are
you
doing?!

ah!

don't
...

ah...
stop
...

Don't
--ah!--
say
that!

Your
nipples
are getting
hard, aren't
they?

No
...

I'm glad
to be
getting
such a
good
reaction.

Now I'll
keep
going.

Don't
touch
me
there!

m

yah!

gya!

ah!

The
brush
tip
feels
...

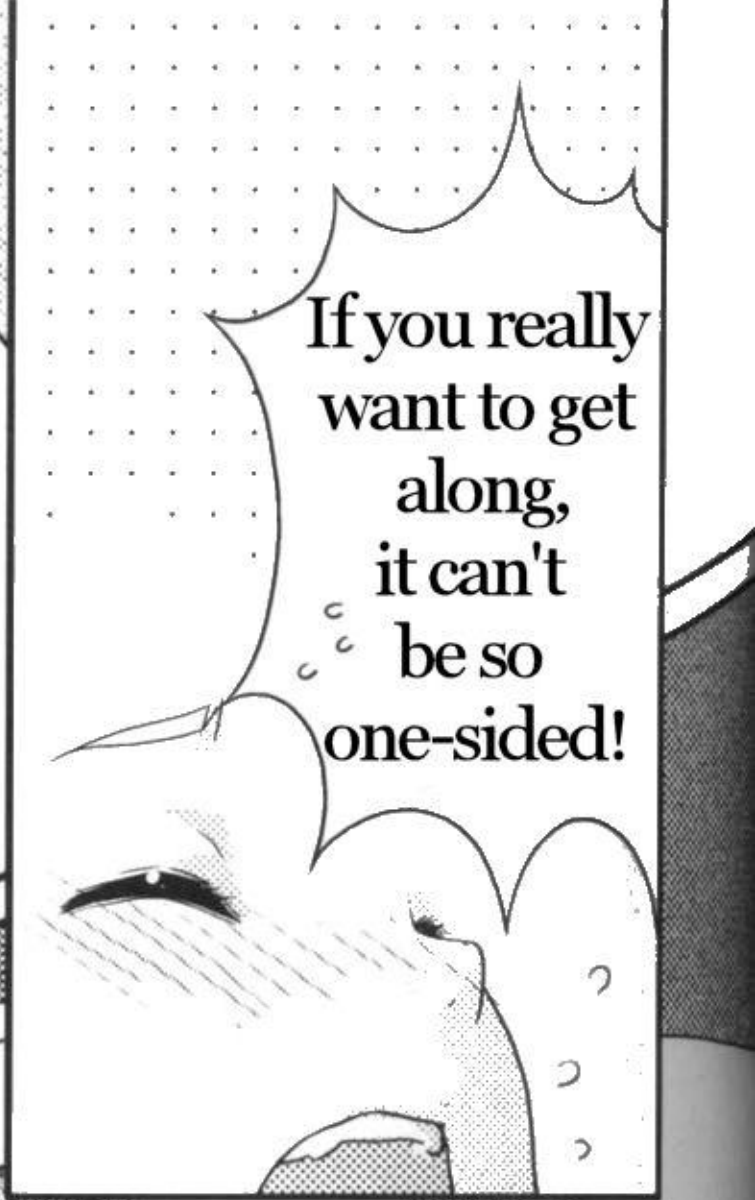

...

a
a
h!

Have you considered that I might have an opinion on this?
so untie me!

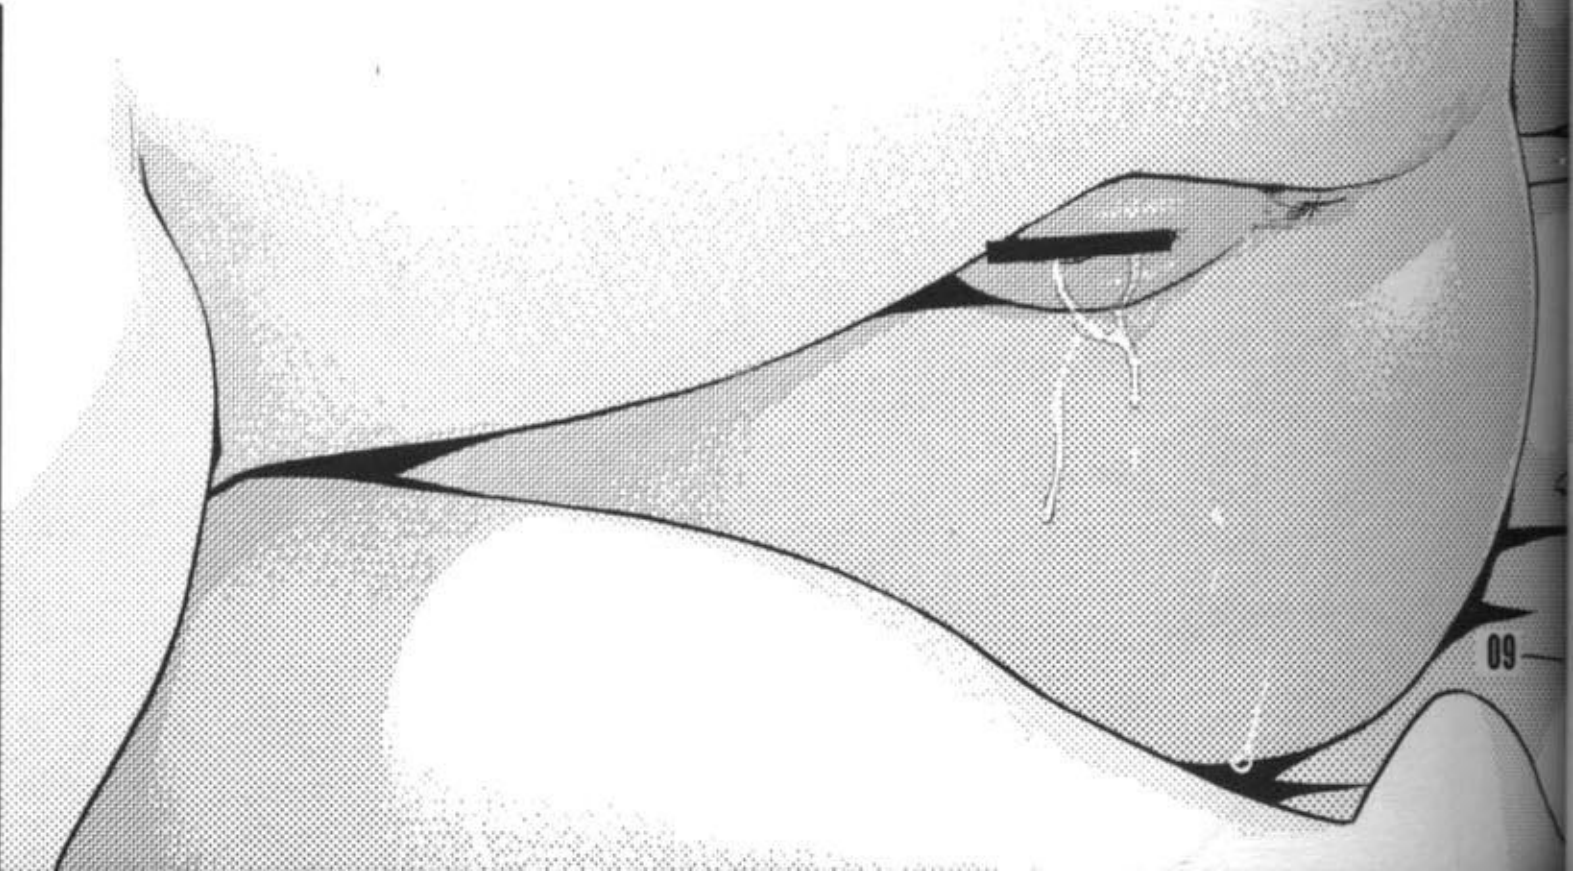

If you really want to get along, it can't be so one-sided!

No wonder you're always saying Naruto's penis is small...

What about penis?

...never mind.

This guy's
is
huge
...

My mouth is
so full I can't
even move
my tongue,
and he's not
even all
the way in!

Will I
be able
to use my
mouth
for this?

m
...

mm

mm
...

m

mmph
!!

I can't...
it won't
move
around
right in
my mouth
...

It's
pulsing
...

11

I can't...
it won't
move
around
right in
my mouth
...

mph

m

mm

mm

It's
pulsing
...

11

So much ...

I couldn't swallow it all...

Only doing that isn't enough though, right?

aah!

ah
!!

I should
return the
favor,
shouldn't
I?

You
don't
have
to!

ah!

yah!

It's
completely
incompre-
hensible...

Stop
talking!
You're
full of
it!

When you tell
women the truth,
they get angry.
They're happy,
but pretend
like they're
not.

Don't do that!

Stop!

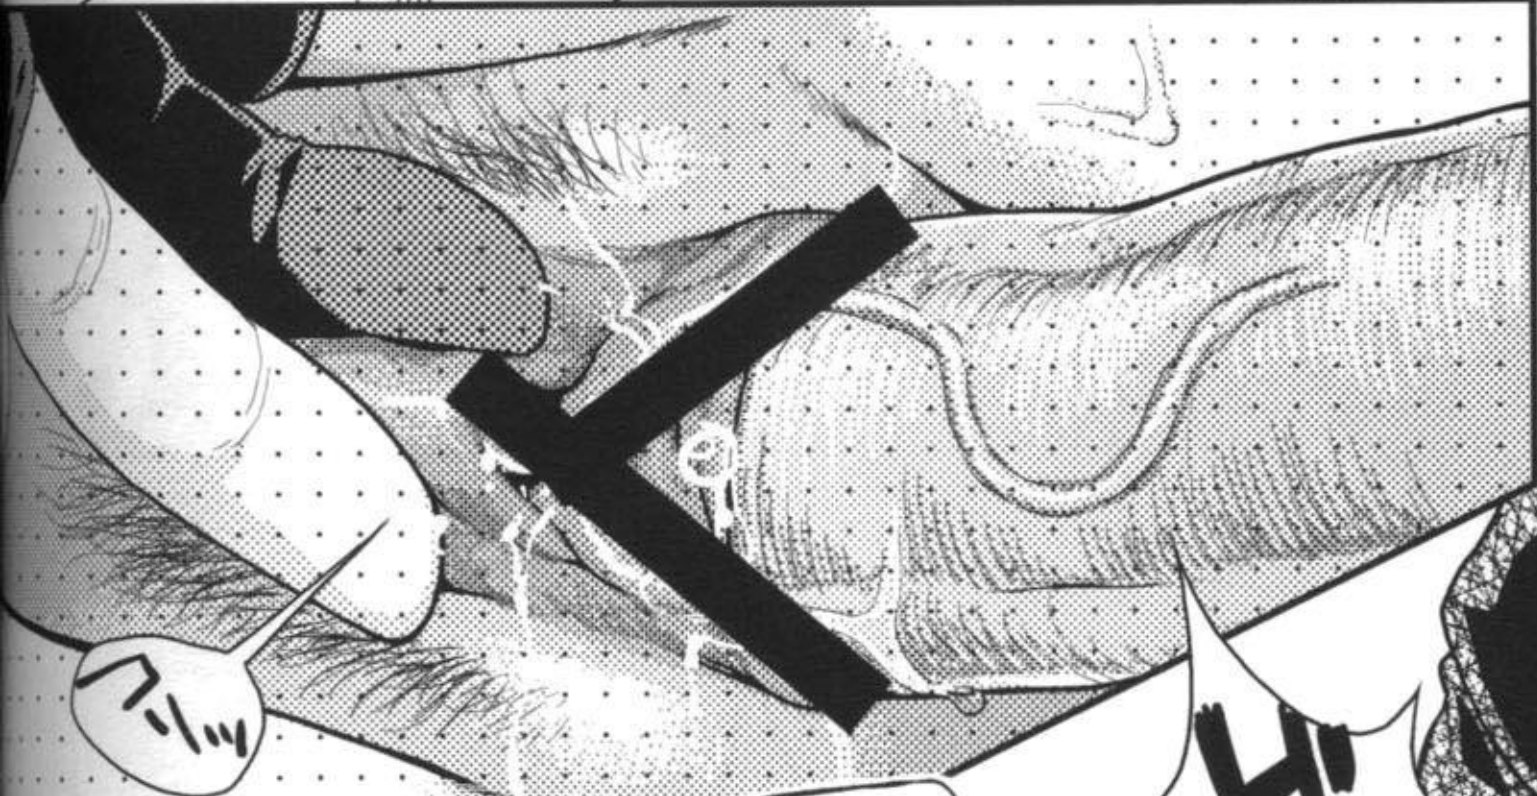

grin

I know you don't really mean that.

I do...ah!

aaaah!!

I think
your current
appearance
pleases me
greatly.

Looks like we're getting along a bit better, doesn't it?

THE
NEXT
DAY

Sakura

What
are you
doing
here,
Sai?

I guess for
you, it's more
painting
than
writing,
right?
yeah

Are you
writing
in your
diary?

Sort
of.

I'm
painting
about how
much better
we've been
getting along
lately.

!!
doesn't
stop
painting
